

Just over a week ago one of our life members Frank Chalion passed away at age 92.

He was a passionate Norths man and he was a huge contributor to Norths cricket. Talking to Franks grandson Nathan on the weekend he tells me Frank would often and passionately talk about his time at Norths.

Right up to his last days Frank was speaking about Norths and trying to persuade Nathan to come and play for Norths. Frank was as passionate as anyone about the club and it is clear the club was a huge part of his life. Rest easy now Frank.

Our future is often shaped by our past and Frank was a huge part of that. On the weekend our 3rd grade team showed their respects to Frank by having a minutes silence and wearing black armbands. RIP Frank Chaillon Norths Cricket Life member.
